MID-SOUTH INSIGHTS NEWS & STORIES

Mid-South Family Housing!

Our President's Message

Dear HMC Residents, As we head into February, I want to share with you an important opportunity for those looking to attend secondary schooling at a 2-year, 4-year, or technical school. Hunt Military Communities, in partnership with the Hunt Heroes Foundation, is once again excited to sponsor our fourth annual scholarship program. This year we will be awarding 18 scholarships totaling \$50,000. Those eligible include any active service member or their dependents. This is open to any branch of our armed forces and you do not need to be a Hunt Military Communities resident. All scholarship applications must be filled out online at: <https://learnmore.scholarsapply.org/huntheroesscholarship>. The deadline to submit a nomination is February 22, 2022, at 3 pm CST, or until 50 applications are received, whichever comes first. Even if you do not have a need this year, we invite you to share this opportunity with someone who qualifies.. This is one of many charitable endeavors Hunt Military Communities is actively pursuing. We have supported several of the top rated charities that serve our active duty & military veteran populations to include career transition, homes, education, and mental health. Our support for these organizations, Tunnels to Towers, Hire Heroes USA, Travis Manion Foundation, and our Hunt Heroes Foundation Scholarships are all part of our desire to go above and beyond providing housing and property management services to our nation's heroes and their families. Thank you very much for choosing to live with HMC, and we hope you have a wonderful month!

Brian Stann
CEO Hunt Military Communities

Winter Weather Helpful Tips

- Never turn your heat off. Keep your thermostat at 65 degrees or higher.
- Open cabinets under plumbing fixtures in the bathroom and kitchens.
- Keep HVAC vents fully open. Check any spare rooms to ensure vents are open.
- Do not warm up your vehicle inside a garage. This can create high levels of carbon monoxide.
