OUR CEO'S MESSAGE

Dear HMC Resident,

Our fifth annual Hunt Heroes Foundation scholarship program is now open and accepting applications. This opportunity is for those looking to attend secondary schooling at a 2-year, 4-year, or technical school. This year we will be awarding 18 scholarships totaling \$50,000. Those eligible include any active service member or their dependents. This is open to any branch of our armed forces and you do not need to be a Hunt Military Communities resident. All scholarship applications must be filled out online at: LearnMore.ScholarsApply.org/HuntHeroesScholarship. The deadline to submit an application is March 2, 2023, at 3 pm CST, or until 50 applications are received, whichever comes first. Even if you do not have a need this year, we invite you to share this opportunity with someone who qualifies. This is one of many charitable endeavors Hunt Military Communities is actively pursuing. Other top-rated charities that serve our active duty & military veteran populations include career transition assistance, housing, education, and health and well-being. Our support for these organizations, Tunnels to Towers, Hire Heroes USA, Travis Manion Foundation, Operation Homefront, and our scholarship program is all part of our desire to go above and beyond providing much needed services to our nation's heroes and their families. Thank you very much for choosing to live with HMC, and we hope you have a wonderful month!

Semper Fidelis,

Brian Stann

MAINTENANCE CORNER

Maintenance Tips for your Garbage Disposal

Since we throw all kinds of junk into our garbage disposal, it is only logical that it will need a little care and attention on a regular basis.

- After use, make sure to always run the machine with cold water for a minute with dish soap inside. Cold water will help solidify any grease so it can be chopped up before hitting the trap.
- Along with minor periodic maintenance, it is important to remember proper upkeep. An easy way to do this is to toss a chopped-up lemon or orange into the disposal once or twice a month. The citric acid from the fruit helps break up any buildups of grease, and, as an added bonus, it smells great.

If the garbage disposal is giving off a particularly nasty smell, just pour 4 tablespoons of Borax down the drain and leave it to sit for an hour or so before rinsing with hot water.
