

COMMUNITY DIRECTOR UPDATE

JULY 1, 2025

COMMUNITY NEWS

Park Reconstruction Begins This July! Exciting changes are coming to our neighborhood park! Starting in July, a reconstruction project will begin to enhance the area. While some areas may be temporarily closed during construction, the result will provide a more enjoyable experience for all residents. Stay tuned for updates on the progress, and we look forward to welcoming everyone to a revitalized park soon!

COMMUNITY UPDATES

Stay Safe This Summer! July brings sunshine, cookouts, and outdoor fun—but it's also a time to be mindful of summer safety. Whether you're enjoying fireworks, grilling with family, or spending time in the sun, remember to take precautions. Keep an eye on fire safety when using grills or sparklers, stay hydrated in the heat, and protect yourself from sun exposure. A little preparation goes a long way in making summer enjoyable for everyone.

Grill Safety Guidelines: Outdoor grills are permitted only outside the home, no closer than 10 feet to the house or fence. Barbecue grills should not be left unattended when in use or while still hot.

MAINTENANCE TIPS

In addition to weekly lawn care, aim to tend to your flower beds at least once per month as part of your house maintenance routine in warmer seasons. In some circumstances, letting weeds and debris accumulate in your flower beds can attract pests and even be a fire hazard. Consider spending time each month trimming and maintaining your landscaping to keep things tidy and help keep out unwanted pests.
