COMMUNITY DIRECTOR UPDATE AUGUST 1, 2025

COMMUNITY NEWS

Construction for our new park at the pavilion area is set to begin on July 28! Stay tuned for updates and progress as we work toward bringing this beautiful addition to life. We can't wait to see the joy and connections this park will bring to everyone in our community!

MAINTENANCE TIPS

Taking care of your home starts with one key habit—reporting maintenance issues promptly. As a responsible renter, this action sets the tone for a well-cared-for living space. What might seem like a minor inconvenience today could become a significant headache tomorrow. Be sure to report issues as soon as you notice them. You can report issues through our online portal, by sending an email, or by calling the housing office.

No matter how you fill out your maintenance tickets, be sure to provide accurate details, such as:

- The nature of the issue
- The location
- Any observations that can aid in the repair

Timely reporting benefits everyone. It helps maintain the quality of your home and contributes to the entire community's well-being. What starts out as a single issue in one unit could impact neighboring spaces if neglected. A well-maintained home makes the moving-out process smoother!
