COMMUNITY NEWS

New housing office coming soon...

We're moving into our new leasing office on Thursday, January 1, 2026! Stay tuned for more details to come. We can't wait to welcome you to our new space!

MAINTENANCE TIPS

Winter is coming! This means preparing for snow, avoiding frozen pipes, and managing the colder temperatures. Stay warm and safe with these tips:

- Reverse ceiling fans on low to circulate warm air.
- If you are planning on leaving your home for longer than 24 hours, it is imperative to leave your heat turned on.
- Open cabinet doors where plumbing is located to allow warm air to circulate.
- Open faucets to allow both the cold and hot water to drip. This allows for the water to have a constant flow and assists with preventing pipes from freezing.
- Notify our community management team in case of any cold-weather-related maintenance emergencies!
