

COMMUNITY DIRECTOR UPDATE APRIL 1, 2026

COMMUNITY NEWS

April will be an exciting month for our community as we continue preparing for several upcoming improvements and initiatives. Our team will be increasing communication efforts regarding the demolition project scheduled to begin in June, ensuring residents remain informed and supported throughout the process. We are also focusing on seasonal maintenance, curb appeal enhancements, and planning upcoming resident engagement activities as we head into the spring and summer months. As always, our priority remains maintaining a welcoming and well-maintained neighborhood for all families.

MAINTENANCE TIPS

Monthly

- Clean kitchen exhaust hoods, test smoke/CO detectors, and inspect plumbing for leaks.
- Check or clean garbage disposal with ice and baking soda.

Quarterly

- Replace HVAC/furnace filters.
- Clean refrigerator coils.

Spring/Summer

- Clean gutters and downspouts.
- Inspect the roof for damage and check siding.
- Inspect/repair window and door screens.

RESIDENT REVIEWS

- ★ *Work Order from A. Judson*
"Was very quick and sorted things out with ease.. thank you!"
- ★ *Work Order from S. Stewart:*
"The guys were efficient and got my plumbing issue fixed quickly!"
- ★ *Move-In Review:*
"Outstanding from beginning to end! Ms. Alex Chism is the best, she made what is normally a stressful process, Stress FREE! Alex was amazing, attentive, and truly cares. Keep up the great work."

TEAM UPDATES

Meet Joseph Davis, our new Maintenance Tech!

Joseph can probably fix just about anything – but what you might not know is he’s also the kind of guy who remembers your name after meeting you once. When Joseph is not tackling work orders, he enjoys staying active and learning new skills– so if there’s ever a challenge, he’s already ready to figure it out and get it done.
