COMMUNITY DIRECTOR UPDATE AUGUST 1, 2026

COMMUNITY NEWS

Back to School Season is Almost Here!

As we welcome August, we want to thank our residents for helping make our community a great place to call home. Your cooperation and communication help us maintain a safe, clean, and welcoming environment for everyone.

With the school year approaching, please use extra caution while driving through the community. Children will be walking to bus stops and spending more time outdoors, especially during the morning and afternoon hours. Following posted speed limits helps keep everyone safe.

Our team remains committed to enhancing the community through ongoing landscaping, maintenance, and improvement projects. We appreciate your patience and encourage you to continue reporting **maintenance concerns** through the Resident Portal.

Thank you for being a valued part of our community. As always, please stay connected through resident communications, join us at upcoming events, and contact the Leasing Office if we can be of assistance.

MAINTENANCE TIPS

Preparing Your Home for the End of Summer

- Test smoke and carbon monoxide detectors to ensure they are working properly.
- Check under sinks and around appliances for signs of water leaks.
- Keep outdoor grills at least 10 feet away from buildings, fences, and other combustible materials.
- Dispose of household trash regularly to help prevent pests and insects.
- Submit maintenance requests promptly when you notice an issue to help prevent extensive repairs.

Taking these simple preventative steps can help keep your home safe, comfortable, and well-maintained throughout the year.
