# MID-SOUTH INSIGHTS NEWS & STORIES

## Mid-South Family Housing!

### Our President's Message

This Mother's Day will most certainly be unlike any before it. As the world, and our conditions, continue to change – one thing remains the same - the value we place on the mothers whose sacrifices,

commitment, and unconditional love enables families across the U.S. to thrive. On behalf of all of us at Hunt Military Communities, I'd like to give special recognition to those mothers who are deployed, on active duty, have children deployed, or are running military family households. Each of you are exceptional. For your families, you are the thread that ties it all together, and for the nation you are both the heart and the backbone. We are all grateful. Please join me in wishing every military mom out there a very special Mother's Day.

Best,

John Ehle

President  
Hunt Military Communities

**Maintenance Corner—** You should change the rotation of your ceiling fans twice a year to increase energy efficiency. Running a ceiling fan properly in the winter can help you save up to 10% on your heating bill. You want your ceiling fan to rotate counterclockwise in the summer, pushing cool air down. On most fans, you can change the rotation using the directional switch on the motor—typically by turning the switch down.

**Be sure to download the Rent Café app to submit and track routine maintenance request.**

**Parking-** There is a small parking lot available for current residents only to park RV, ATV, trailers & etc. Please be sure to register at the management office. Parking on grass and sidewalks are not allowed.

### Contact Information Office

7666 Intrepid Rd. Bldg. 456, Millington, TN 38054

Phone: 901-872-8905 • Fax: 901-872-8915
