Pool Safety & Guidelines— With the summer heating up, more families are looking for ways to stay cool and enjoy the outside. Below are guidelines for pool safety.

Use of small wading pools, not exceeding (18) inches in height, is authorized under the following guidelines: • The water must not exceed 12 inches in depth, and will be emptied on a daily basis. • Wading pools are to be constantly monitored by an adult during use, and must not be left unattended while holding water. • Pools are to be emptied and turned over when not in use and properly stored. • Grounds damaged by the pools must be restored. • Wading pools must be kept in backyard areas. • Residents are responsible for supervision of any person using the pool and liable for all injuries resulting from the pool, whether the Resident is present or not at the time of injury.

Parking —There is a small parking lot available for current residents only to park RV, ATV, trailers & etc. Please be sure to register at the management office. Parking on grass and sidewalks is not allowed.
