MID-SOUTH INSIGHTS NEWS & STORIES

Mid-South Family Housing!

Our President's Message

In just a few short weeks, we'll be celebrating the beginning of a new year. I think many of us are breathing a sigh of relief to welcome in 2021. During this holiday season and throughout the year, we appreciate the service and sacrifice

you and your families make. With deployments or long training missions, our Service Members miss out on many special occasions during the holiday season. Our communities are doing special service projects this holiday season to show our gratitude for our military families and all you do day-in and day-out. Donation drop-off stations have been established at 26 HMC communities across the nation to collect presents and toys for children in need as part of the U.S. Marine Corps Reserve Toys for Tots program. We are also encouraging employees and residents to participate in Wreaths Across America to support their wreath-laying efforts at military cemeteries across the country. On behalf of everyone here at Hunt Military Communities, I want to take this time to wish you all a very safe and happy Holiday Season and a healthy and happy 2021.

Winter is Upon Us:

It appears winter is here! Are you ready? Winter weather can leave communities without utilities or other services for long periods of time. Making sure you and your home is ready for winter is very important. Hopefully, we can minimize the effects of the winter storms and freezing temperatures by being prepared for it.

- Turn on faucets so that they drip in occupied homes during extended periods of below freezing temperatures. Dripping faucets can help prevent freeze ups.
- Do not turn off your thermostat while on vacation or away from your home. Maintain a constant temperature.
- Open cabinets during extended periods of below freezing temperatures so that the warm air can reach pipes along exterior walls that are often exposed to the most extreme temperatures.
- Keep in mind, each family member's specific needs, including medication. Have extra batteries for flashlight and radios.

Parking — There is a small parking lot available for current residents only to park RV, ATV, trailers & etc. Please be sure to register at the management office. Parking on grass and sidewalks is not allowed.
